## CRYSTAL SPRINGS TO HAVE COMMERCIAL CLUB

CRYSTAL SPRINGS, Miss., March 12.—(By AP.)—At last Crystal Springs is to organize a "Commercial Club." The enthusiastic meeting held at the Picture Theater Tuesday afternoon in the interest of the proposed new federal building, made it clear to the citizens that some sort of an organization was necessary that the citizens could work through in the further development of the town and community.

W. R. Lockwood has been requested to get signatures to a petition calling for a meeting of the citizens to discuss the purpose of forming an organization. The purpose of the organization is to have the club to enlist the business men of the entire vicinity in the club with a view of advertising in the town the advantages Crystal Springs has over the balance of the country and why everybody should come here to live. The town is growing as never before, and the new club will get in behind the town with a view of making it a more attractive place to live.

## Give Stomach What It Needs

The Alkaline Effect of Stuart's Dyspepsia Tablets Usually Corrects the Stomach Faults That Provokes Attacks of Indigestion or Dyspepsia.

To sit back after a good meal and know that it is not going to be sour, rising, gas, drawdown and discomfort is the logical result of using Stuart's Dyspepsia Tablets immediately after eating. Most people believe they can trace each attack of indigestion to the something they ate and can still "taste" it. And it surprises them, invariably, to note how quickly relief comes after taking one or two of these tablets. Whether it is highly seasoned food, rich pastry, the heavy hearty foods or some one particular offender the remedy comes just the same. Those who are susceptible to attacks of indigestion or dyspepsia should try Stuart's Dyspepsia Tablets as it will supply the stomach with an alkaline effect just as it does naturally when it is working in a perfectly healthy condition.

Stuart's Dyspepsia Tablets are so widely known and used that you can find them in any drug store in the United States and Canada at 50 cents a box.

## The Easiest Way To End Dandruff

There is one sure way that never fails to remove dandruff completely and that is to use it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all of your dandruff will be gone, and three or four more applications will completely destroy and entirely destroy every single grain and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

## COULD NOT HOLD OUT LONGER

Virginia Lady Realized She Couldn't Stay Nervous, Weak, Pale, and Hold Out Much Longer.

Cardui Helped Her.

Dublin, Va.—Mrs. Sallie Hughton, of Route 2, this place, recently related her interesting experience in recovering her health, saying: "When I came on I was in a very bad condition and nothing the doctor gave me did me any good. Some say you have to let this take its course, but I know there ought to be something to give relief. I was nervous, weak and pale. I couldn't eat or sleep to do any good, and felt I couldn't stand this very long.

"I heard and read of Cardui, and how it had benefited other women in the same condition, so decided to use it myself. After my first bottle I felt better, so of course kept it up, and it did the work.

"It helped me as nothing else did. I began to pick up right away. I ate and slept and could rest. I knew I was getting better. I kept it up and it did wonders for me."

Thousands of women, suffering as this Virginia lady did, have used Cardui with equally happy results, and Cardui, in fact, is the only remedy that so entirely relieves their troubles, and how it has benefited other women in the same condition, so decided to use it myself. After my first bottle I felt better, so of course kept it up, and it did the work.
